Case or Utility Company: Quail Creek Water
Docket #: W-02514A-14-0343
Position: Con

It is not equitable for homeowners with a 1" meter to be charged a higher base rate. This should be based on the actual water usage, not the size of the pipe. Fair is fair and all should have 1st tier rate for the 1st 4,000 gallons. There is no rational reason to do otherwise, except for corporate greed & hoping the public will not notice.
